

Paper Machines

Energy lives here™

Maintaining the productivity of a paper machine requires grease with outstanding performance to overcome the extreme conditions. Here's how Mobil™-branded Greases can help paper machines perform at maximum efficiency versus conventional greases and make productivity stick.

Industries:

Pulp and Paper — Paper Machines

Textiles — Synthetic Fiber Wet-Laid Process

Key Applications:

Agitators:

Mobilith SHC™ PM 460

Vacuum Pumps:

Mobilith SHC™220

Hood Fan Bearings:

Mobilith SHC 220

Sludge Press Roll Bearings:

Mobilith SHC™ 1500

Press Roll Bearings:

Mobilith SHC PM 220 or Mobilith SHC PM 460

Wet End Shaft Roll Bearings:

Mobilith SHC PM 220 or Mobilith SHC PM 460

Dryer Felt Roll Bearings:

Mobilith SHC PM 220 or Mobilith SHC PM 460

Dryer Hood Fan Shaft Bearings:

Mobilith SHC 220

Calender Roll Shaft Bearings:

Mobilith SHC PM 460

Winder and Idler Roll Shaft Bearings:

Mobilith SHC PM 220 or 460

Mobil™-branded Grease Benefits:

- Wide application temperature range; helps improve component protection at high temperatures
- Helps extend service life and deliver balanced performance; reduce maintenance costs and improve mechanical life
- Low volatility and high-temperature stability; helps increase equipment protection
- Structural stability; helps extend re-lubrication intervals and reduce maintenance costs
- Outstanding rust and corrosion performance; helps increase component life and reduce unscheduled downtime

Proof of Performance*

Mobil™-branded Greases have helped customers to reduce their annual operating costs and thereby increase their productivity

* A proof of performance is based on the experience of a single customer. Actual results can vary depending upon the type of equipment used and its maintenance, operating conditions and environment, and any prior lubricant used

Note: Schematic and product recommendations are intended as a general guide only. Products listed are typically the product series names.

Please refer to equipment builder manual for final lubrication recommendations or consult your Mobil Industrial Lubricants team for additional products. Not to scale.

For more information on Mobil™-branded Industrial Lubricants and services, please contact your local company representative or visit mobilindustrial.com.
